

# K22

Intellitec 12V Cargo Light Control

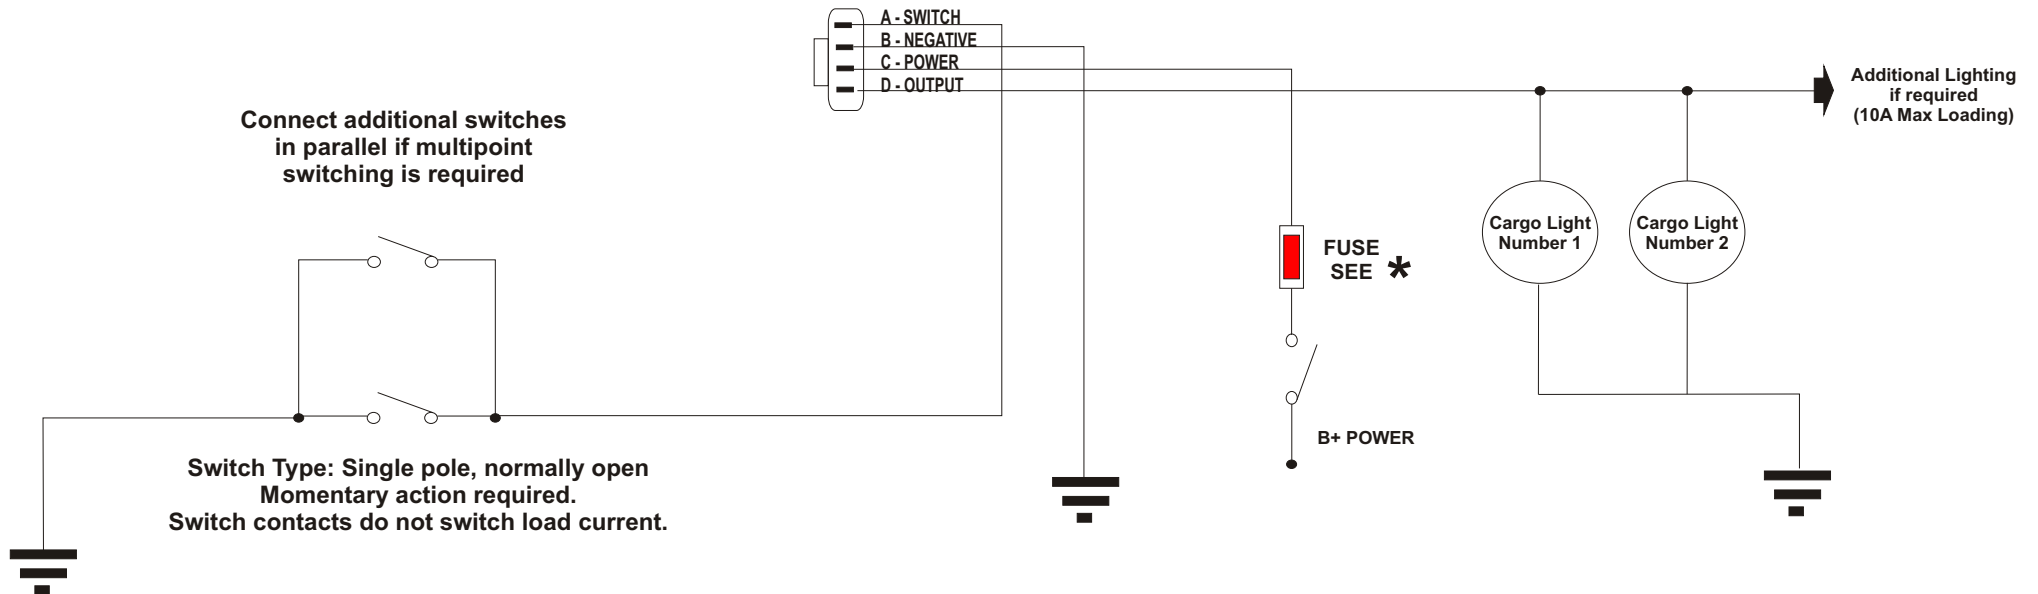

## Schematic Information

Plug Identification	Cable Colour	Function
A		SWITCH IN NEG
B		B+ POWER
C		NEGATIVE
D		OUTPUT

Component Description	Intellitec Part No
12v Cargo Light Control Electronic Control Unit	00-00712-130
12v Cargo Light Control Connector Kit	1765010
C.L.C Operation Decal	CLCOP002
Installation Schematic	BMS-00-712-0002

\* Fuse Rating Dependant On Ouput Loading From Cargo Light Control. Not To Exceed 10 Amps (120W)

Reason for issue change: Plug Inverse and chnge of ECU part number to 00-00712-130

Draw number :BMS-00-712-0003

Drawn:PWS

Revised: 140721  
Issue :C

Check : S.S.   
P.S.

Date : 28.11.11

Scale : NTS

Filepath : Workshop\BMS\Cargo light controller
