Intellitec 12V Cargo Light Control

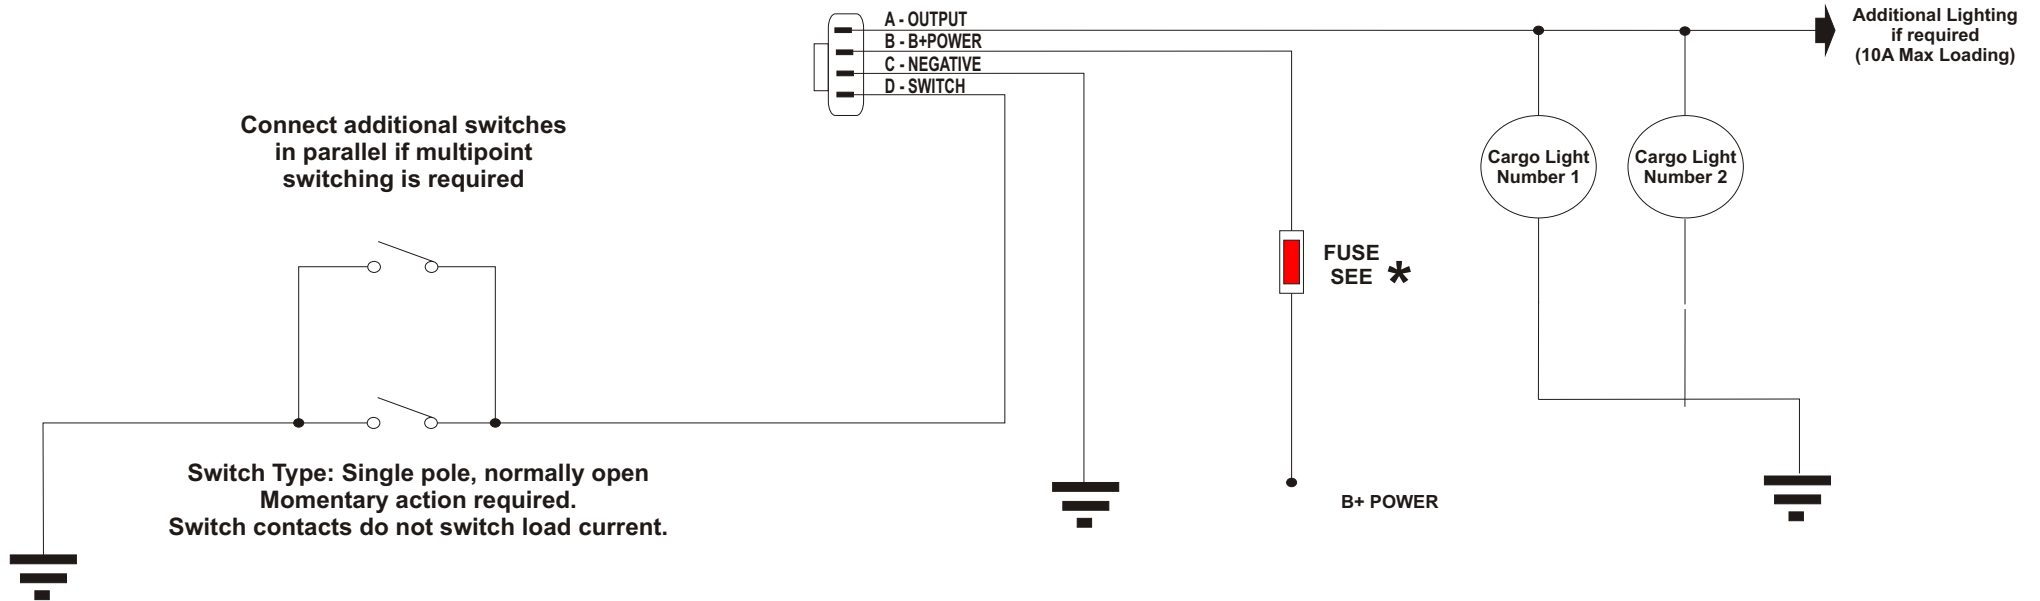

Schematic Information

Plug Identification	Cable Colour	Function
A		Output
B		B+ POWER
C		NEGATIVE
D		Switch

Component Description	Intellitec Part No
12v Cargo Light Control Electronic Control Unit	00-00712-120
12v Cargo Light Control Connector Kit	1765010
C.L.C Operation Decal	CLCOP002
Installation Schematic	BMS-00-712-0001

* Fuse Rating Dependant On Ouput Loading From Cargo Light Control. Not To Exceed 10 Amps (120W)

Reason for issue change:

Tech Helpline update

Draw number :BMS-00-712-0001

Drawn: S.S

Revised: 22/02/10TH
Issue :B

Check : G.P.
I.R.

Date : 18.04.08

Scale : NTS

Filepath : Workshop\BMS\Cargo light controller
