## PORTSEA HERITAGE

The Portsea represents our modern twist on the classic ‘Marine Chronometer’ timepiece style, which is traditionally characterised by clean white dials and arabic numerals.

With a multi-layered construction, the Portsea dial exhibits great depth that is further enhanced by the use of a unique thick ceramic main disc.

The “Heritage” version of the Portsea is powered by the robust Seiko NH35 automatic movement and also features a surgical grade 316L stainless steel case, coin-stamped caseback and german leather straps.

## OPERATING INSTRUCTIONS

Your Portsea Heritage timepiece is fitted with the Seiko Cal. NH35 automatic movement with the date at 6 the o'clock position.

The crown may be placed in 3 positions as per the image below.

- A. Fully pushed in – when in this position, the crown can be rotated clockwise to manually wind the movement.
- B. Partially pulled out – The middle crown position allows for the date to be adjusted by counter-clockwise rotation.
- C. Fully pulled out – when in this position, the crown can be rotated in both directions to set the time.

### Notes:

1. The date requires manual advancement for months with less than 31 days.
2. Do not manually adjust the date during the automatic change-over action as this may damage the gearing in the mechanism.

## WARRANTY INFORMATION

All watches purchased from Melbourne Watch Company come with a 24-month manufacturer's warranty.

This warranty covers material production defects concerning the watch, strap and movement.

It does not cover damage caused through misuse/physical force, or normal wear and tear.

Your warranty will be valid from the date of purchase and will be noted on a warranty card included with your order when shipped.

Your warranty will be rendered void if any attempts are made to repair or modify your timepiece without prior consent from us.

If you have an issue with your timepiece, please notify us via our website and we will do our best to assist you in resolving it as quickly as possible.

## CUSTOMER SUPPORT

If you have an issue with your timepiece, please ensure you contact our customer service team prior to attempting any course of repair on your own, as doing so will render your warranty void.

To lodge a support request, please email your details along with a description of the issue to **[support@melbournewatch.com.au](mailto:support@melbournewatch.com.au)**

This will create a support ticket within our helpdesk system and you will receive an automated email confirming receipt of your request, along with a case number which you can refer to during further correspondence.
