Flinders

FLINDERS AUTOMATIC

The Flinders is the model that began our journey, as the first Melbourne Watch Company release.

Named after Melbourne's iconic Flinders Street Station, the Flinders was designed for both dress and casual wear.

The new Flinders is powered by the high-beat Sellita Cal. SW200-1 (Swiss Made) automatic movement, retaining a slim case profile and featuring a multi-layered dial framed by sapphire crystal, exhibition case back and a premium leather strap.

TECHNICAL SPECIFICATIONS

Case Thickness:	9.9mm
Lug Width:	20mm
Movement:	Sellita Cal. SW200-1 Automatic
Power Reserve:	38 Hours Maximum
Beat Rate:	28,800bph
Complications:	12-Hour Time, Date
Crystal:	Flat Anti-Reflective Sapphire
Water Resistance:	50m/5ATM
Strap:	Genuine Leather – 20mm

OPERATING INSTRUCTIONS

Your Flinders timepiece is fitted with the Sellita SW200-1 high-beat automatic movement with the date at 3 the o'clock position.

The crown may be placed in 3 positions as per the image below.

- A. Fully pushed in – when in this position, the crown can be rotated clockwise to manually wind the movement.
- B. Partially pulled out – The middle crown position allows for the date to be adjusted by clockwise rotation.
- C. Fully pulled out – when in this position, the crown can be rotated in both directions to set the time.

Notes:

1. The date requires manual advancement for months with less than 31 days.
2. Do not manually adjust the date during the automatic change-over action as this may damage the gearing in the mechanism.

CUSTOMER SUPPORT

If you have an issue with your timepiece, please ensure you contact our customer service team prior to attempting any course of repair on your own, as doing so will render your warranty void.

To lodge a support request, please email your details along with a description of the issue to **support@melbournewatch.com.au**

This will create a support ticket within our helpdesk system and you will receive an automated email confirming receipt of your request, along with a case number which you can refer to during further correspondence.
